COMMITTEE REPORTS

FINANCE: Mr. Rowe advised that we are early in the year but everything looks to be in order.

INFRASTRUCTURE: Mr. Brock advised that Everett had his reports for the month. Basicly, they have kept up with day to day operations and handled some extras along the way.

Gary advised that Steve Smith was not here for the meeting, but they are letting the contract for the bids for the solar energy project this week. They are trying to have this in operation by mid-year.

INTERGOVERNMENTAL & TECHNOLOGY: No report.

PUBLIC SAFETY: Mr. Welch advised that Chief Baxter had his reports available. Chief Baxter advised that it was a busy month but nothing abnormal.

Mr. Welch advised that Chief Etheridge had his reports available. He just noted an increase in accidents and leaving the scene of accidents.

Mr. Welch inquired if they were still getting a large number of false alarms. Chief Etheridge advised that they were. He advised that it was habitual with certain offenders.

Mayor Penland stated that he had checked into putting lighting on the back side of the cemetery. To set poles and pull wires for that distance will be quite expensive and the expense of the lighting itself is about another \$45.00 per month. So I had asked Chief Etheridge to add that to his regular

patrol on a daily basis and during the night.

Mayor Penland inquired of Marshal Martin if he had anything on his report that needed discussion. Mr. Martin advised he did not.

EXECUTIVE SESSION: Mayor Penland advised those present that we need to go into an executive session.

The Mayor and Council entered into an executive session at 6:15 p.m.

The Mayor and Council re-entered regular session and adjourned at 6:20 p.m.
