**COMMITTEE REPORTS**

**FINANCE:** Wayne advised all departments are within their budgets as of January. The revenues are coming in as projected. Everything looks OK.

**INFRASTRUCTURE:** The day to day operation is going on as normal. Lots of brush is being hauled. Everett has a request to donate eight (8) of the old garbage cans to Faith Worship Center. It was agreed to give them these old cans.

**INTERGOVERNMENTAL & TECHNOLOGY:**

**PUBLIC SAFETY:** Chief Martin was not available tonight and Mr. Bickford was here to represent the Police Department. Reports were available for the month of January. There were no questions or comments.

Chief Baxter was available and his reports were available. A crew was sent to Adairsville and back to Calhoun, on Wednesday as part of the GSAR response.

Gary advised that we need to look at a weather alarm system for the city. Mr. Baxter advised that the Department of Agriculture has a community development grant program for this type of funding. This may be something that we can apply for or at least investigate.

With nothing else to come before the council and no need for an .... executive session.

Steve Smith asked if the City would be interested in partnering with the Water Works to get set up for Blood Assurance to bring their bus or van around quarterly. They require so may people to be signed up and we are just border line but with the whole city combined they could set it up where they would bring the bus and set it up.

With no further business, Mayor Penland adjourned the meeting at 6:15 p.m.
